Fund Administration

Introduction

On July 1, 1977, the Georgia General Assembly enacted legislation establishing the Subsequent Injury Trust Fund. It is designed to reduce the impact of singularly large workers' compensation claims in the event a worker with a disability, injured on the job, aggravates a pre-existing permanent impairment.

The Subsequent Injury Trust Fund is governed by a five-member Board of Trustees appointed by the Governor for six-year terms. The Administrator and staff conduct the day-to-day administration of the fund.

How the Fund Works

The fund helps workers with disabilities by providing employers, who are not subject to the Americans with Disabilities Act, with incentives to hire or retain qualified workers with disabilities. The fund supports insured employers by keeping workers' compensation premiums under control, and if an employer is self-insured, keeps the workers' compensation exposure at the deductible levels.

In order for an employer/insurer to be eligible for reimbursement from the fund, the on-the-job injury of the employee must be directly caused by or combined with a prior impairment to create a greater liability for lost-time benefits and medical expenses. In addition, the employee must have a pre-existing impairment that the employer considered to be permanent and likely to be a hindrance to employment, and the employer must have knowledge of the prior impairment before the subsequent injury occurs.

O.C.G.A. §34-9-361 contains a list of conditions that are presumed to be permanent and likely to be a hindrance to employment provided the employer could demonstrate prior knowledge.

Reimbursement from the Fund

All licensed workers' compensation insurance carriers and self-insured employers authorized by the State Board of Workers' Compensation in the state of Georgia may access the fund.

Employers/insurers must notify the fund of a possible claim by filing a Notice of Claim no later than 78 weeks following the date of injury.

In addition to the mandatory Notice of Claim, the employer must submit a notarized Employer's Knowledge Affidavit, certifying prior knowledge of the worker's pre-existing permanent impairment.

Employers/insurers may be reimbursed for all weekly income benefits payable after 104 weeks; for 50% of all medical and rehabilitation expenses between \$5,000 and \$10,000; and for 100% of all medical and rehabilitation expenses in excess of \$10,000.

If the subsequent injury was not caused by or related to a prior impairment, the reimbursement for medical expenses may be reduced or denied completely.

Legislation

Please reference the Official Code of Georgia for legislative changes affecting the operation of the Subsequent Injury Trust Fund.

OCGA 34-9-368 ... dissolve the agency and establishing June 30, 2006 as the last date of injury eligible for reimbursement by the Fund.

OCGA 34-9-362 ... establish time limits for employers or insurers to satisfactorily prove a claim once filed with the Subsequent Injury Trust Fund.

OCGA 34-9-358 ...limit in the amount of funds collected from insurers and self-insurers in payment of assessments to the Subsequent Injury Trust Fund.

OCGA 34-9-368... extend the dissolution to December 31, 2023.

Claims Administration

The employer/insurer maintains management of the employee's claim for the life of that claim. Once the fund has been notified of the claim, the employer/insurer must keep the fund informed of all developments, including settlement negotiations.

The fund investigates the claim to determine eligibility for reimbursement. When a reimbursement agreement is reached between the fund and the employer/insurer, it must be approved by the State Board of Workers' Compensation.

The fund makes reimbursement payments to insurers and self-insurers in accordance with the Board approved reimbursement agreement.

(d) The administrator is authorized to create and maintain a reserve of surplus moneys as may be deemed necessary by the board of trustees in order to ensure sufficient moneys will be available for the payment of all claims that are to be paid by the fund in accordance with Code Section 34-9-368.

(e) The administrator is authorized to reduce or suspend assessments for the fund when a completed actuarial survey shows further assessments are not needed for all bona fide claims that are to be paid by the fund.

(f) (1) When further assessments are not needed as all eligible workers' compensation claims for which the fund is liable in accordance with Code Section 34-9-368 have been paid and all related administrative costs have been accrued or paid and a balance remains in the fund, all insurers and self-insurers in this state who have maintained workers' compensation insurance in this state for any time during the preceding three years from the date that the last claim has been paid shall be entitled to a pro rata refund of assessments previously collected and unexpended in the remaining fund balance.

(2) The calculation for such pro rata refund to be paid by the fund to each individual insurer and self-insurer shall be determined by the following formula:

The balance remaining in the fund shall be the numerator and shall be divided by the total amount of assessments for workers' compensation coverage paid by all insurers and self-insurers during the three-year period, which shall be the denominator. The quotient of the numerator and denominator shall be multiplied by the total amount of assessments that are paid by the individual insurer or self-insurer during the three-year period. The product of those numbers shall represent the amount to be paid to such insurer or self-insurer as its pro rata refund from the balance remaining in the fund.

(3) Nothing in this subsection shall preclude the board of trustees from authorizing a loss portfolio transfer of any unresolved claims.

(g) An employer who has ceased to be a self-insurer prior to the end of the calendar year shall be liable to the fund for the assessment of the calendar year. Such employer who has ceased to be a self-insurer shall continue to be liable to the fund for assessments in subsequent calendar years so long as payments are made on any workers' compensation claims made while in self-insured status.

(h) The initial assessment of each insurer or self-insurer for the purpose of generating revenue to begin operation of the fund shall be in the amount of one-half of 1 percent of the workers' compensation premiums collected by the insurer for the preceding calendar years from an employer who is subject to this chapter or the equivalent of such in the case of a self-insurer.

34-9-359. Reports by employers of compensation and benefits paid; failure to pay assessments

(a) As soon as practicable after January 1 but not later than January 31 of each calendar year, the administrator shall forward to each insurer and self-insured employer a questionnaire asking for the total amount of compensation, medical benefits, and rehabilitation benefits paid by each insurer and self-insured employer during the preceding calendar year. This report is to be completed and returned to the administrator no later than March 1 of the same calendar year in which the request for this information is submitted. Failure to submit the report to the administrator of the fund by March 1 shall result in an automatic penalty of \$50.00 per day for each day the report is delinquent or 10 percent of the assessment, whichever is greater. This penalty will be added to the assessment.

(b) Any assessment levied or established in accordance with this article in a specified amount as may be determined pursuant to this article shall constitute a personal debt of every employer or insurer so assessed and shall be due and payable to the Subsequent Injury Trust Fund when payment is called for by the administrator. In the event of failure to pay any assessment upon the date determined by the administrator, the administrator may file a complaint for collection against the employer or insurer in a court of competent jurisdiction.

(c) In the event any employer or insurer duly assessed fails to pay to the administrator on behalf of the Subsequent Injury Trust Fund the amount so assessed on or before the date specified by the administrator, the administrator is authorized to add to the unpaid assessment an amount not exceeding 10 percent of the unpaid assessment and reasonable attorney's fees to defray the cost of enforcing collection.

Assessment Calculation

The assessment and assessment rate are derived from the fund's financial activity for the calendar year and the claims loss data provided by insurance companies and self-insured employers. This claims loss data is obtained on an annual basis in the form of an Annual Assessment Report. As required in O.C.G.A. §34-9-359, this is a report of the total amount of compensation, medical benefits, and rehabilitation benefits paid by each insurer and self-insured employer during the calendar year.

Assessment Adjustment for 2016

The Georgia Subsequent Injury Trust Fund Assessment for calendar year 2017 was \$100,000,000.00. This was computed in the following manner:

Total Fund disbursements/calendar year 2016	\$42,034,570.19
	x <u>175%</u>
Fund Assessment not to exceed \$100 million	<u>\$73,560,497.83</u>
Fund Assessment	\$100,000,000.00

The assessment rate is based on data provided by insurers and self-insured employers' in the Annual Assessment Reports; the actual total of workers' compensation benefits (indemnity, medical, and rehabilitation) paid in Georgia during calendar year 2016 was \$1,629,728,088.25. This amount is divided into the fund assessment of \$100,000,000.00 and yields an (adjusted) assessment rate of 0.06135993. This adjustment has caused a decrease to be applied to the 2017 assessment.

In accordance with O.C.G.A. §34-9-359 (c); the above formula will no longer be used as of January 1, 2016.

Assessment Rate for 2017

The Georgia Subsequent Injury Trust Fund Assessment for calendar year 2017 is \$100,000,000.00.

Based on data received from insurers and self-insured employers, the reported total of workers' compensation benefits paid in Georgia during calendar year 2017 was \$1,580,759,423.99. This amount is divided into the fund assessment of \$100,000,000.00, which yields an assessment rate of 0.06326073.
